

CHALLENGE:

To react to needs of individual clients in the ever changing healthcare environment.

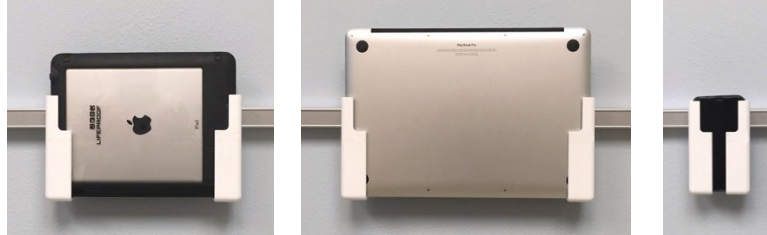

SOLUTION:

"Our engineers talk to nurses." This is a phrase used by the original founder of Fairfield Medical Products and is the foundation of Paladin's philosophy as Fairfield's legacy company.

We listen to our customers, and continue to develop new solutions and products to meet their needs. These are just some examples of our latest innovations.

TABLET / PHONE HOLDER

Adjustable width to fit nearly any device.

C-FRAME MOUNT

Mount your Herman Miller C-frame storage unit at the bedside. Off the floor storage and work surface, allowing housekeeping easy access to clean the floors. Can be removed when "Terminal Cleaning" is required.

C-FRAME SIDE RAIL

Mount additional helpful accessories such as chart holders, hand sanitizers or basket to the Paladin equipment rail mounted on the C-frame unit.

GARBAGE CAN MOUNT

Rubbermaid wastebasket and rail mount for convenience and uncluttered floor space.

Standard is 12 quart, other sizes available upon request.
